Bow may be informed of the new order, patrol work as the business men have received and paid for during the past year.

That the city may not be left without police protection during the hours when the Marshal is off duty deem it advisable to appoint s In assuming the duties deputy Marshal, who may be called upon at any time his services may be dations which I wish to make. The needed, and he will be paid only for

The reasons for these changes are limited, is too well known to need several. It has been demonstrated explanation or comment, and is in in the past that the Street Comitself sufficient ground for reducing missioner, who also acts, as Marshal, our expenses to the mininum, and can devote only a part of his time to curtailing in every way consistent street work. son, for his instructions.

In the matter of the purchase of supplies of various kinds for the city, I recommend that all supplies be purchased or arranged for through the Supply Committee, and all bills for supplies coming be-fore the Council must be audited by said committee.

Pursuant to the resolutions passed at the mass convention of our citizens March 12, regarding negotiations looking toward the purchase of the water works plant I, recommend that the City Council take up the matter with the owners of the plant and the holders of its bonds, mortgages and judgements, and secure from them the best possible proposition for the sale of the plant. I also recommend that the Council inquire into the condition of the entire plant and submit a full report in the matter at as early a date as possible, that the matter may be brought before the people if, in the judgement of the Council, the

BIG HORN BASIN.

Are you interested in the Big Horn Basin of Wyoming?

Its a rich but undeveloped portion of Northwestern Wyoming. It contains marvellous openings for small ranches along good streams in the valleys, with one million acres of government land open to settlement under the Uunited States Land Laws.

The Burlington Route has just published a folder descriptive of the Big Horn Basin. It is illustrated and contains an accurate map. It tells about the lay of the land, character of the soil, products, yield, irrigation and opportunities. If you're interested, better write for a copy. It's free. J. FRANCIS,

Cures When Doctors Fall

Mrs. Frank Chiasson, Patterson, La., writes June 8th, 1901: "I had malaria fever in very bad form, 'was under treatment by doctors but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then bought two bottles which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine, 50c bottles at Ed.
